

CDD-1

One Step Ready to Use Disinfectant

USDA C2 Category

Benefits

- Cleans, disinfects, and deodorizes plastic, Formica, chrome, toilets, sinks and countertops in one step.
- Fresh pleasant scent - deodorizes entire room while cleaning.
- Contains no harsh acids or alkalines.
- Versatile - works on many surfaces from chrome to vinyl.
- Ideal for cleaning odor and bacteria prone areas such as kitchens and bathrooms.
- CDD-1 is a one-step disinfectant effective against a broad spectrum of bacteria, is virucidal* (including HIV-1 & HBV) and inhibits growth of mold and mildew and their odors when used as directed.

Type - RTU Quaternary Disinfectant

- **Form** - Clear Liquid
- **Odor** - Fresh Floral
- **Color** - Blue
- **Weight per Gallon** - 8.47 Lbs.
- **pH** - 11.5-12.0
- **Foam Height** - Low
- **Active Quat** - 0.18% (1800 ppm)

General Directions

For Disinfecting: Apply by mop, sponge, cloth or spray on hard, non-porous surfaces for a minimum contact time of ten minutes in a single application. For disinfecting, remove food particles and heavy soil deposits, then thoroughly wet surfaces with CDD-1.

To Clean and Disinfect Toilet Bowls: Remove or expel residual bowl water prior to applying use solution. Use 4 ounces (120 ml) of CDD-1 in toilet bowl or urinal, applying around bowl and under rim; then scrub thoroughly with brush and allow total contact time of 10 minutes. CDD-1, when used as directed, will not harm white or colored bowls or other similar surfaces.

*See product label for additional directions for further disinfecting of surfaces.

Available Case Sizes: (12) 32 Oz. Spray Bottles; (4) 1 Gallon Bottles
