

# STAR DEGREASER

*Heavy duty cleaner, oil and grease remover, for manual use or high pressure wash systems.*

---

## ❖ **BENEFITS**

- ❖ Contains No Chlorinated Solvent
- ❖ Made from Citrus - Biodegradable
- ❖ Can be used full strength or diluted
- ❖ Can be used through high pressure wash systems
- ❖ Outstanding performance

## ❖ **DESCRIPTION**

STAR DEGREASER is a concentrated citrus degreaser and oil remover. STAR DEGREASER can be used for removal of grease and oil or general cleaning. It may be used either manually or through a high-pressure wash system. STAR DEGREASER contains no chlorinated hydrocarbons or ozone depleting solvents. The natural biodegradable citrus solvent easily penetrates small areas and lifting hard to remove soils. It is easily rinsed with water, leaving areas cleaned and smelling of citrus. The natural solvent and soaps make STAR DEGREASER an ideal multipurpose cleaner in food process plants and for industrial applications.

## ❖ **PROPERTIES**

APPEARANCE.....CLEAR, YELLOW ORANGE  
 ODOR.....CITRUS  
 pH of Concentrate.....6.00  
 POUNDS PER GALLON.....8.20  
 BIODEGRADABLE.....YES

## ❖ **GENERAL USE DIRECTIONS**

For heavy grease, spray on concentrate and let stand for a few minutes. Rinse with water. To remove paint or markers apply concentrate and rub on surface until a paint slur is noticed. Wipe off manually or use high pressure rinse. GENERAL USE: 1 part to 20 parts of water. Either mop or high pressure wash floors, walls, vehicles, etc.

## ❖ **SAFETY**

**DANGER:** Contains an organic solvent. Prolonged contact on skin will cause burns. Remove contaminated clothing after use.

**FIRST AID:** For eyes, immediately flush with large amounts of water for at least 15 minutes. Seek medical attention. For skin, wash with large amounts of water. If irritation occurs, obtain medical attention.
